

PSAT/NMSQT AT PINE VIEW 2024

Pine View's 2024 PSAT Administration Plan

- Students will test during the school day in computer labs, instead of classrooms, on school-owned devices. **October 2024 testing dates are TBD by the Landings.** Dates to be announced shortly.

General Information for PSAT and SAT College Board Assessments:

- Beginning Fall 2023, the PSAT/NMSQT is administered as a Digital (online) Exam.
- Changes were made to the PSAT/NMSQT to prepare students for the SAT, which was administered in digital format ONLY, beginning Spring 2024.
- Important to only use College Board platforms; avoid relying on information published by independent entities – the most accurate information about College Board assessments comes directly from The College Board.
- Khan Academy is an Official Partner of The College Board. Link to Official SAT Prep on Khan Academy: <https://www.khanacademy.org/digital-sat/confirmed>
- Students should Practice by taking Full-Length Practice tests.
- Full-Length Practice Tests are delivered using the Bluebook App.

Digital PSAT/NMSQT (For students in Grades 9, 10, and 11 ONLY)

- Scoring Remaining the same: (160-760 scale per section).
- 2 hours, 14 minutes of testing.
- 2 Sections: Reading and Writing (64 min) and Math (70).
- Reading/Writing Section has 54 Questions/Tasks.
- Math Section has 44 Questions/Tasks.
- Questions are Multiple Choice; some math questions may require a written (typed) answer.
